**RE:** Nomination of the 2019 Distinguished Psychologist(s)

Each year, The ABPsi Distinguished Psychologists group selects *two* individuals who will be the recipients of **The Distinguished Psychologist Award** for the current year, **one female and one male**. *Note: While this practice does have precedent, it is also possible to give both votes for two females or two males, if you believe them to be the most deserving of this year's recognition.*

In keeping with that practice, please submit the names and biographical information of two potential nominees. For your nominees to be considered, please review the qualifications to confirm *that they fulfill each of the six criteria listed on the nomination form*. The Elections and Awards Committee members, as designated in the by-Laws, will do the screening, and the Distinguished Psychologists will make their selections from among those that meet the award standards.

Please use the enclosed nomination form to submit the names of your recommended candidates, along with a brief biographical sketch of the nominee. **Nominations must be accompanied by biographical information in order to be considered.** **Your nominations must be submitted by fax, mail or e-mail to the National Office and received no later than April 22, 2019.** The past Distinguished Psychologists recipients determine this year's awardee.

Sincerely,

Huberta Jackson-Lowman, PhD  
ABPsi President

Theopia Jackson, Ph.D.  
ABPsi President-Elect
